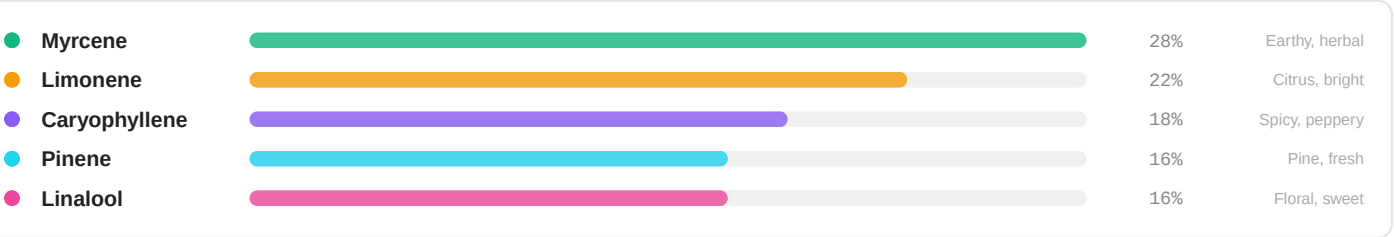
STRAIN PROFILE

Mixed trim represents a blend of various cannabis plant material, typically including leaf and smaller flower pieces from multiple strains. This product offers unpredictable effects and flavors depending on the specific strains included in the batch, making it a budget-friendly option for extraction or edibles.

TERPENE PROFILE



REPORTED EFFECTS

- **Relaxed**
- **Calm**
- **Uplifted**
- **Focused**

Terpene profiles and effects are AI-generated estimates and may not reflect this specific batch.
